The world's smallest, lightest, smartest **laptop charger,** and more.

Can a laptop charger actually be cool? We think so. When we designed the Zolt Laptop Charger Plus we wanted to create a product that was both highly functional and aesthetically beautiful. From it's sleek, durable exterior to its groundbreaking power electronics circuitry, Zolt is anything but ordinary.

Ultra Light and Super Compact
4X smaller and 3X lighter than standard laptop chargers.

3-IN-1 Charging
Power laptops up to 65W plus two USB devices at once.

Charges most portable USB devices
Including smartphones, tablets, Bluetooth speakers, iPods, cameras, portable battery packs and more.

Universal Compatibility
Includes 8 laptop tips that work with over 90% of the world's laptops including HP, Dell, Lenovo, Asus, Acer, Toshiba and more.

Smart Features
Folding prongs make for compact storage.
Rotates up to 90° to squeeze into tight spots.
Built-in surge protection and high efficiency charging.

### Free Replacement Tips and 2 Year Warranty
With product registration.
